Hi Tami,

Yes, sounds good. We should talk soon because my time will be limited for the rest of January. I will be in tomorrow, half day on Jan 17 and Jan 18. I will be out of the office the week of Jan 21, then back on Jan 28, but you will be gone the last week of January.

Let me know what time is convenient for you. Thanks.

Hi Mark,

What do you think about revising this to fit Donlin? Would be nice to have something to point to or share with tribes if they ask. Would need to add the PSD piece, haven't really thought about what other pieces yet. I don't think there would be any site specific criteria issues under APDES/NPDES so we would need to take that out. Although we are still early in the process, so I suppose things could change.

We should talk about this sometime . . . soon as it may be prove quite helpful.

Before I go (on week 2) we should chat to see what messages I may need to bring with me, in the event I get any questions that need responding.

Thanks! Tami
